

## Questions for Resume and Personal Statement

1. In your opinion, what has been the most rewarding of your academic, extra-curricular, and/or volunteer activities?
2. Elaborate on your experiences with two particular extra-curricular activities, inclusive of examples of how you improved a process, increased participation, created a program, or reduced waste and inefficiency.
3. Describe your responsibilities in 2 – 4 organizations in which you've had the greatest impact.
4. Specifically, what insights did you gain from those experiences? And if you had it to do again, what changes or improvements would you make?
5. List and describe two – three experiences that impacted your decision to pursue your chosen academic and/or career field?
6. Describe how matriculation to your college(s) of choice will help you achieve your long term career goals.
